Detail

Directions from I-5: Whether coming from north or south **exit onto SR-16** heading toward Bremerton. **Exit onto 6th Avenue** heading north (Pt. Defiance Zoo & Aquarium). At the exit **go straight and cross 6th Ave.** this small leg of road will by pass the long light at 6th and Pearl and you will come to **Pearl where you may take a free right.** You are heading north. After turning get into the left lane where you will turn **left at Highland Parkway.** After turning left onto Highland Parkway follow it around passing the main entrance to the Tacoma Lutheran Home and turn **right onto a service road for the employees.** The road will 'T' at the TLH, **turn left** and you'll see the parking lot. You may park anywhere

in the lot. Parking on the street near the entrance to the meeting room is reserved. Do not park there. You may stop to unload and then move your car to the lot. We are meeting in the Education Center. If you park in the front of the TLH you will walk through the building to back. It is quite a trek if you are carrying anything. They didn't say we couldn't do that, but it make little sense and we don't want a lot of folks asking where the Education Center is. So unless there is a reason to park in front, please use the back parking lot. There will be a sign on the gate and the gate will be open. Once in the private court yard you will turn to your left and enter. The room is very comfortable with tables and chairs. You may bring your dinner and there is ample room for all to sit with room to eat, surf the web or talk. Look forward to your assessment of the space for our needs. (A survery will be sent out after the meeting.)
